

## Appendix C- Examples of Safe Haven Agreements

### In the Name of Allah, Most Compassionate, Most Merciful

***“There is nothing good about their private conferences, except for those who advocate charity, or righteous works, or making peace among the people. Anyone who does this, in response to GOD's teachings, we will grant him a great recompense”. 4:114***

With the objective of safeguarding public interests and efficient use of service facilities, we social figures and sheikhs of Al-Shu'ara sub-district, Barat Al-Marashi District, agreed to safe haven all medical, health and service facilities as well as other developmental facilities within the sub-district and district level. This applies to everything and everybody which should be covered under safe haven traditions such as employees and funders of these facilities. Every sheikh signing this contract guarantees abidance by his tribesmen to the agreement.

May Allah grant us success!
